Action Floor Systems Offers Hardwood Sports Flooring Brochure

(MERCER, WI) A new 4-page, full-color printed flyer from Action Floor Systems, LLC provides an introduction to the company's extensive line of solid-maple hardwood sports floor systems. Included is information on Action Floating, Fixed and Fixed-Resilient systems, along with detailed cross-section illustrations of selected floors.

"The world of sports floors is always evolving," says Action Floor president, Tom Abendroth. "We're focused on meeting the needs of a wide range of end users, whether the project is a major university's field house, typical high school gym or a church's multi-use room. We want to get the word out about our environmentally friendly materials and our ability to meet virtually any performance characteristic or budget requirement."

Action Floor Systems manufactures a wide variety of hardwood sports floor systems to provide for any application. The company specializes in high-performance sports floors constructed of hard maple timber grown exclusively in northern Wisconsin and Upper Michigan. With the addition of Herculan® polyurethane synthetic and Action ReFlex recycled rubber flooring to its product line, Action Floor Systems is a single-source flooring supplier for any athletic or multipurpose application.
