New Action QuickCourt™ Modular Multisport Floor Systems

Action QuickCourt™ modular multisport floor systems from Action Floor Systems, LLC feature fast and easy installation with the most advanced locking system in the industry. The interlocking high impact copolymer modular sections provide a stable surface and shock-absorbing underlayment for players' safety. Available in five different series for indoor or outdoor applications, with most being FIBA Certified, the low maintenance QuickCourt's seamless design allows for consistent play and appearance and requires no adhesives or anchoring. Action QuickCourt floors are not affected by moisture or humidity and come with a 16-year warranty. Made in the USA and available in many color options, Action QuickCourt floor systems are ideal for a variety of indoor and outdoor sports including basketball, inline hockey, volleyball, and aerobics.

Action Floor Systems, LLC manufactures a wide selection of high-performance hardwood sports floor systems, and also offers Action Herculan® polyurethane synthetic systems, Action RexCourt® vinyl sheet, Action ReFlex® recycled rubber flooring products, and the patented Action AirRide floor cover systems.

Action Floor Systems has been certified as a Carbon Negative Footprint provider following a Life Cycle Assessment conducted by the University of Wisconsin and Carbon Clear, an international independent auditor of manufacturing carbon profiles. Action Floor Systems is the only Maple Flooring Manufacturers Association (MFMA) member to receive this independently audited accreditation.
