Re: Sandy Boys & Girls Club Donation

Tom,

Enclosed is a donation receipt for the gym floor materials that Action donated to the Sandy Boys & Girls Club.

We want to thank you for all of the help that Action gave us on this project. The children at the Sandy Club are really benefitting from the extras they were able to get in their new facility because of the generous donations that were given.

Thanks, again, for your donation to the Sandy Club.

Sincerely,

COMFLORS, INC.
