

Dear Tom,

I wanted to reach out to you to thank you for Action Floor Systems' sponsorship of our 2019 Summer restoration season. We recently posted our work report from the summer on our website (rockofageslps.org), and I invite you to take a look. We've made some incredible progress this year including installing Action Floor's donated flooring material in the 3rd floor kitchen. We appreciate all of your support!

Thank You!

Heather Girth
