

# NATURAL GRADE MAPLE

## HARDWOOD FLOORING MFMA 3rd Grade

Our Natural Grade Hardwood Flooring creates a beautiful background for the performance surface. The game lines and graphics on the floor are clean and sharp for basketball and volleyball, and feature a warm ambiance for dance studios and stage flooring.

The performance of Natural Grade is unmatched with stability and durability. When used to surround Select Grade or Standard Grade on a playing court, the visually striking combination is unequalled in high-end competitive play.

### NATURAL GRADE HARDWOOD FLOORING BENEFITS

- Most environmentally-friendly grade due to more complete log utilization
- Fully serviceable with a long lifespan
- Prominent natural color and character variations
