Dear Friends,

As one of our most valued supporters, I want to take this opportunity to thank you personally for your generous gift of \$1,000.00 to the Parkinson's Foundation, which was received on Friday, December 2, 2022.

Your gift is already providing hope and inspiration to those affected by Parkinson's disease (PD) while achieving measurable progress in the battle to treat and cure PD. The partnership of valued supporters like you will:

- Increase grant funding to scientists focusing on the most promising routes to discoveries and breakthroughs in Parkinson's research
- Unlock the potential of genetics through *PD GENERation: Mapping the Future of Parkinson's Disease*, with as many as 15,000 participants contributing to a deeper understanding of PD's genetic origins
- Expand our Global Care network in new and underserved regions of the country, providing the highest standards of Parkinson's care and treatment by a specialized medical team
- Address the growing demand for education and support in local communities on key issues like mental health, exercise and wellness, care partner support and services for veterans

It is an exciting time at the Foundation as we amplify these life-changing efforts in research, care and education through the Reach Further campaign. Reach Further represents an additional investment of \$30 million in mission-critical programs over four years. When coupled with the generosity of supporters like you, the Parkinson's Foundation is truly gaining inspiring momentum toward a future without PD.

A recent recipient of the Foundation's Postdoctoral Fellow grant said,

"I would like to thank all Parkinson's Foundation supporters for helping us move research forward. Finding a cure for Parkinson's disease and improving people's lives is at the heart of what we do, and we can only achieve these goals by working together."

Friends, you are driving change for the one million Americans living with Parkinson's. Please accept my most sincere gratitude for your support!

Sincerely,

Happy Holidays!
